**Calla Varieties – 2019**

**Callafornia/Dummen Calla varieties:**

- 1) **Crystal Blush** is the best-selling white variety for cutting. It is uniform, vigorous with dark green foliage and has high stem count.
- 2) **Flame** is a yellow orange bicolor that ages orange. Large blooms are good cut flowers with excellent post-harvest quality. It has nicely spotted foliage.
- 3) **Ice Dancer** is a white variety that grows 10-18" tall with 1.5-2" blooms. It has a compact habit, plain green leaves, and a prominent eye.
- 4) **Nightcap** has dark purple blooms with plain green foliage. It is recommended for pot or cutting use.
- 5) **Regal** is a new purple variety that ages to burgundy. It has plain green leaves, good stem count, and is a good cut flower.

**Coastal Calla varieties:**

- 1) **Blush** has white blooms that age blush pink. The foliage is plain green and it can be used for cutting or pot production.
- 2) **Compact Flame** has orange yellow flowers with a touch of red. Leaves are slightly spotted.
- 3) **Compact Gold** has bright golden yellow flowers on spotted leaves and is excellent for smaller pots.
- 4) **Compact Pink** has pink flowers on green leaves. It grows 12 to 18" tall.
- 5) **Compact Purple** is a dark purple variety that is naturally compact. Leaves are green.
- 6) **Fire Red** has plum red flowers becoming redder as it ages on spotted leaves. It is great for large pots.
- 7) **Sensation** is small to medium in height with pink colored flowers and spotted leaves. Its flower production is very high and is good for pot and cut flower use.
